

GRANT ENTITLEMENT

PLANNING PERMISSION

GRAZING RIGHTS

BOUNDARY DISPUTE

## We'll tell you exactly how the land lies.

Whether you own a single acre or 1,000 you need to know what your rights and responsibilities are for everything that happens on your land.

As the membership organisation for owners of land and property, our in-house advisory service offers members free professional advice.

Visit us online today or call us for your **free guide** to the issues you need to be aware of as a landowner.
